

Holy Rosary Academy & High School

A Catholic, Co-Educational, College Preparatory School, Grades Pre K - 12

January 13, 2012

To Whom it May Concern:

Educating children with learning differences is what Holy Rosary does best. Our small school, which has been tremendously successful in carrying out its mission, is unique to the New Orleans area and fulfills an important need in our community.

This year our Parents Club will once again be hosting our annual GALA, *Monte Carlo...Holy Rosary Style!* on April 20, 2012 at the Jefferson Orleans. We are excited about our program and ask for your support of our mission and of the children of Holy Rosary by providing a donation again this year to help make our GALA a success. The proceeds of the GALA will provide our school with the necessary funds to expand our learning programs to this much underserved segment of our community.

Your donation is tax deductible and *no donation is too small*. All donors' names will be displayed near the gift items as well as printed in the GALA program and posted on our website.

We have enclosed a Record of Donation form, which you may return to Holy Rosary with your donation, or you may contact Alana Morales or Renée Haasé at Holy Rosary to arrange for the pick up of any item. An acknowledgement of your donation will be mailed to you for your tax records.

Sincerely,

Alana Morales

P.S. Your donation can make a big difference to our small school.

Making a difference...one student at a time.
